Oberwil, your space for two years – make something of it!

Dear Oberwil residents, the area at Kerngartenweg is open to you as a temporary use space: for birthday parties, barbecue evenings, card game tournaments, community gardening, toddler meetups, neighbourhood tavolata, open-air office, or whatever else comes to mind.

Want to do something here, got an idea? Write to us and we'll figure out together how you can make it happen:
